## Commencement date and term

This Agreement shall commence on 1 January 2017, and remains in force indefinitely, provided either Party shall be entitled to terminate this Agreement by giving one (1) calendar month written notice to the other Party.

MMI Health reserves the right to terminate this agreement with immediate effect if a provider is found to be guilty of unprofessional conduct in terms of the relevant applicable rules, if there is any disciplinary enquiry into his/her conduct instituted by the HPCSA, or if a provider commits fraud, theft or abuses his/her rights in terms of this agreement.

## Both parties agree to:

1. Keep confidential all information of a confidential and or commercially sensitive nature and ensure compliance with applicable data protection legislation;
2. Timeously communicate any changes in practice or relevant information to the other party at least one (1) month prior to the change.

## MMI Health agrees to the following:

1. To only utilise the services of MMI Health Designated Service Practitioners to render the services to its members (members on the agreed option need to visit the network of providers);
2. To list your practice on the Momentum and CareCross websites as a form of advertising and promotion of your practice;
3. To ensure that the membership records, member details and status are accurate and are updated regularly;
4. To keep and maintain a Call Centre and/or website facility which the General Practitioner may use to access and verify membership details;
5. To communicate appropriate and necessary information timeously to the said email address;
6. To make available the General Practitioner guide and all standard forms which the General Practitioner may be required to complete from time to time;
7. To endeavour to reduce the administration burden in terms of member validation, claim submission, payment reconciliation, chronic registration and specialist referrals;
8. To reimburse valid claims, which are completed in full and submitted electronically, within 2 weeks from date of receipt;
9. To resolve all network practice enquiries effectively within a reasonable timeframe.

## As network provider, you, all locum tenens, associates and partners agree to the following:

1. To abide by the affiliated medical scheme benefit options, protocols, formularies and rates as set out in the relevant Annexure as well as any annual and or ad hoc changes made thereto;
2. To be appropriately registered with the HPCSA and BHF and to have adequate and appropriate medical indemnity cover;
3. To ensure that the dispensing license is valid and fees are up to date if the General Practitioner selects to be registered as a dispensing provider;
4. To confirm that the member is a valid and active member of all administered schemes as per Annexure A and that the limits of the scheme have not been exceeded. MMI Health shall not be liable to compensate the General Practitioner for Services rendered to non-active members and where limits are exceeded.
5. To render clinically appropriate and cost-effective treatment to members;
6. To obtain the necessary authorisation where applicable according to requisite protocols;
7. To inform members needing medication or services that fall outside the applicable scheme benefits and formularies, that the costs will be for his/her personal account and have the member sign as proof of acceptance of liability of the account;

8. To abide by the Scheme's DSP arrangements with other healthcare disciplines and refer patients to the appropriate specialist, hospital and pharmacy as determined by the scheme and available on the website;
9. Not to consult members at any other location than the registered practice address specified in this Agreement and apply to MMI health for the registration of any additional practice or change of address (in the event that the General Practitioner wishes to open a new practice or move from the registered address);
10. To, as a minimum, provide access to primary care health services at the practice to all members as per Annexure A
  - from Monday to Friday from 9h00 to 17h00;
  - on Saturdays from 9h00 to 12h00;
11. To render bills according to the agreed fee and to undertake not to balance bill, split bill or charge members an administration fee or co-payment or any additional fees outside the agreed fee structure for the services covered as per Annexure B;
12. To submit all claims in the prescribed format electronically to the prescribed destination code with the correct and relevant tariff and ICD-10 codes as per the applicable legislation within 4 months from the date of the relevant health service rendered;
13. To engage with the MMI health representatives to discuss the claim activities, patterns and practice profiles in order to address servicing, clinical and compliance issues relating to MMI Health members. To make available to MMI Health on request the General Practitioners files and records of members and dependants for whom services have been rendered within 1 week of receipt of the request;
14. To allow MMI Health to provide relevant branding at the provider's practice to identify the provider as servicing the Momentum and CareCross members.
