The Prior Voucher System Explained

Brief explanation

- Employers Register on system and buy vouchers
 - To issue to their staff as and when they are sick
- Staff gets SMSed a voucher when they are sick
- Patient goes to a Doctor Registered on the Prior system
- The doctor/ receptionist/ practice manager can verify that the voucher is still valid
- The patient can then be treated by the Doctor - and given the appropriate medicine - If the voucher included medicine
- Once the patient has been treated
 - The voucher can be redeemed by selecting the ICD10 code
- The doctor (or practice) will get paid directly overnight in his/ her bank account

So what's in it for Doctors?

- More patients through the door
- No claims process
- Guaranteed payment overnight
- Cashless system
- Real-time dashboard of reports
- NO cost to Register
- NO monthly or hidden fees
- NO contracts
- NO purchasing of systems, software or hardware
- You will be included in the Prior IPAF Doctor Network

What are the 2017 rates?

Consultation Only voucher - Doctor will get: **R285**

Consultation + Medicine voucher - Doctor will get: **R320**

Note: These vouchers are intended to treat all common primary healthcare related conditions and small procedures

NOTE: Only dispensing practices/ clinics can service the consultation + medicine voucher
Fees will be adjusted annually by CPI
