

CPD offering from CPC/Qualicare to all

Dear CPC Shareholders and Members

- Have you been audited for your accreditation points?
- Do you need extra points?

We can offer you CPD accredited points at R90.00 per point, by way of articles approved for CPC by the University of Stellenbosch. A maximum of 30 points can be awarded to any single individual doctor.

Contact your Qualicare consultant or email ethel@cpcqualicare.co.za for further details.

Reminder: if you attended the Qualicare Cape Town, George or Worcester open days, remember to submit your answers sheets by mid-December to qualify for the points.
